RE: New Lake County Permissive Motor Vehicle License Fee

Dear Mr. Gills:

The Concord Township Trustees supports the County Engineer's request to the Lake County Commissioners to proceed with the implementation of the additional \$5 Motor Vehicle License Fee. It is our understanding that the additional resources generated will further the investment in County Roads throughout Concord Township and the rest of Lake County, many of which are in desperate need of repair.

We encourage the Lake County Commissioners to support this opportunity to increase the level of investment in our community's infrastructure. The Concord Township Trustees look forward to working with the Lake County Engineer's Office to insure that the resources are used for the benefit of the community and meeting the needs of the residents

Sincerely,

Christopher A. Galloway
Chairman, Concord Board of Trustees
