Concord Twp., OH 44077

Re: Petition Letter regarding road conditions

Mr. Zames,

Concord Township is in receipt of the petition regarding the conditions along Clearlake Drive and Ridgewater Drive. A Trustee, our Service Department Director, and I have reviewed the streets. We do not feel your roads are in a condition to warrant a full replacement. The streets do exhibit some cracking and we noted one pothole that was immediately repaired by the Service Department. The surface of your road is a chip/seal system installed in 2012 and we feel it has held up very well. We, along with the County Engineer, are utilizing the chip/seal system in future road projects. There are 11 township roads scheduled for a chip/seal replacement in 2019.

The Service Department will be making repairs to the road to seal some of the larger cracks along with evaluating the drain issue at the corner of Clearlake and Ridgewater Drives to ensure the storm water system is functioning properly. We will explore placing a top coat on the road in 2020.

We evaluate the township roads regularly and schedule repairs based on conditions. We work very hard to maintain our township roads. Currently, the road projects for 2019 are set and we have budgeted approximately \$2.6 million including matching funds from an OPWC grant.

Please contact me with any further questions or concerns. I can be reached at arose@concordtwp.com or (440) 354-7513.

Sincerely,

Andy Rose, Administrator  
Concord Township, OH
