

# THE CITY OF Painesville

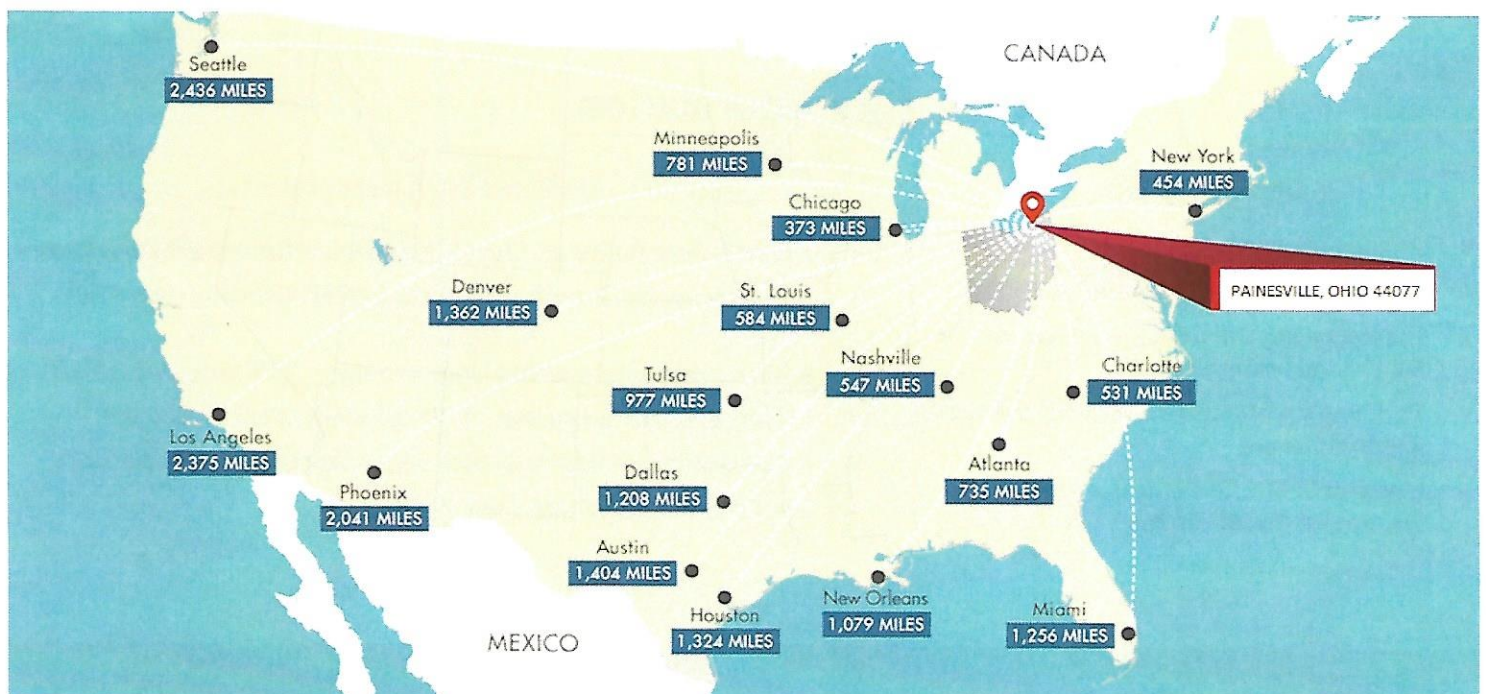

*Welcome to the City of Painesville Ohio, where it all comes together for business.*

Just 30 miles east of Cleveland and 2.5 miles south of Lake Erie on the historic Grand River, Painesville is a city that business & industry cannot afford to overlook. Painesville City is home to entrepreneurial success stories such as Imax Industries and national corporations such as Avery Dennison. The combination of geographic location, business and educational resources, skilled labor force and locally operated and owned municipal sewer, water and electric utilities, make Painesville the perfect

business location. Most importantly, Painesville City is home to a progressive and pro-business City Council and City Administration with an eye toward a successful future.

From providing loan assistance and other incentives to fast track permitting and infrastructure assistance, The City of Painesville is dedicated to your success. In addition to government partners there are a number of other business assistance service organizations providing a vast array of program assistance. And, if it's not available, just ask. You won't find a team more dedicated to serving your interests. The City of Painesville is a great place to build your business and love your life.
