"Citizens for Troy" Permissive Funds Report dated 3/3/12 line 9 shows excess funds of \$42,618.91 that were to go into the Lake County Governance Education Fund, Inc.

We are trying to determine if the funds went into the account. If they did, we would like to know to whom the money was distributed since the fund currently has a zero balance. Neither Commissioner Daniel Troy nor his Treasurer, Kip Molenaar, will answer our questions about the distribution of the funds. Any help you can give us would be appreciated.
