FIND EVIDENCE IN YOUR LOCAL SCHOOL SYSTEM

Instructions For Inspecting Curriculum

- 1) If possible, try to get the name of the curriculum being used at your local school.
- 2) Contact the teacher via email so there's a paper trail to ask for access to the curriculum for you to review by simply stating "I'd like to see the _____ curriculum being used in _____."
- 3) If denied or stalled, contact the administration office via email and simply request a time to see the curriculum in question; both teacher and student editions by simply stating "I'd like to see the curriculum being used in _____."
- 4) If the curriculum is online, ask for teacher/student password information. They may or may not provide this information, but you've put them on record by asking for it.
- 5) If denied or stalled contact "Protect Ohio Children" to file a Freedom Of Information Access (FOIA) request. Email: diane.ohiovaluevoters@gmail.com

**SUBMIT YOUR FINDINGS TO THE PROTECT OHIO CHILDREN COALITION
SO THAT WE CAN ADD EVIDENCE TO THE STATE-WIDE REPORT**
