

Recap of school districts that spend taxpayers' money on lobbyists.

Kirtland School District:

We don't pay for any lobbyists in Kirtland. We do, however, belong to professional organizations who as part of their organization lobby on behalf of all districts. Below are the organizations we belong to and the cost to the district:

1. BASA (Buckeye Association of School Administrators) - \$1195.44
2. OSBA (Ohio School Boards Association) - \$4,985.00
3. Alliance for High Quality Education - \$3500.00

Thank you,

BW
