### 2003 Gas Tax Formula

75% ODOT  
10.71 % Municipalities  
9.29% Counties  
5% Townships  
100%

2003 Increase – 2 cents

2004 Increase - 2 cents

2005 Increase - 2 cents

6 cents on old formula =  $6 \times \$60M \times 0.0929 / 88 = \$380,000$  annually for each county

Prior to 2003, OSHP received 4 cents from gas tax. In 2003, 3 cents was removed from OSHP and all three cents went to local governments and ODOT did not receive their 75%

Formula without ODOT for OSHP 3 cents	42.84%	Municipalities (4 x 10.71)
	37.16%	Counties (4 x 9.29)
	<u>20.00%</u>	Twps. (4 x 5)
	100%	

3 cents x  $\$60M \times .3716 / 88 = \$760,000$  annually

Results of 2003 Increase = \$380,000

\$760,000

\$ 1,140,000 annually for each county

2002 Gas Tax Income = \$ 1,387,402

2007 Gas Tax Income = \$ 2,396,839

\$ 1,009,437 Actual Additional Income

### 2019 Gas Tax Estimate

10.5 cents x  $\$67M \times 45\% = \$316 M$  to locals

\$ 316 M x 37.16% / 88 = \$ 1,340,000 annually to each county beginning in 2020\*

\*Does not factor in extra 6 cents for diesel or income from electric/hybrid

2019 Income Estimate =  $\frac{1}{4}$  of a year (Oct., Nov., Dec.) =  $\$ 1.34M / 4 = \$335,000$
