

Riverside does not pay directly for any lobbyists. I also have never heard of Allerton Hill Consulting until your email.

Riverside does pay dues to several professional organizations who provide professional development, publications, and other services, but also participate in advocacy efforts.

I will list them below with the dues paid by Riverside for the current fiscal year:

Ohio School Boards Association (OSBA): Annual dues of \$7,559.00 for the District

Buckeye Association of School Administrators (BASA): Annual dues of \$1,320.40

Ohio Association of School Business Officials (OASBO): Annual dues of \$836.00

Alliance for High Quality Education (AQHE): Annual dues of \$3,500.00 per District
