

CONGRESSMAN
DAVID JOYCE

February 28, 2020

Dear Charles,

Nancy Pelosi and the Democrats only talk about two things:

How much they **hate President Trump** and...

How much they want to **defeat a conservative Republican like me.**

The good people of Northeast Ohio sent me to Congress as a proven leader with twenty-five years as a get-tough-on-crime prosecutor for Geauga County.

The two things I care about most are **representing you** and **delivering results.**

Our booming economy is seeing its longest period of growth in history. President Trump's economic plan is working. Wages rose 3% last year. 2.8 million new jobs were created. Unemployment is at a fifty-year low. Our country is on the cusp of energy dominance.

President Trump's USMCA and China trade deals give our farmers, manufacturers and small business owners **a shot in the arm.** New business applications are climbing. Poverty is falling. After years of neglect during the Obama presidency, our military is stronger than ever.

Amid all this good news and economic progress, Nancy Pelosi, Adam Schiff, Jerry Nadler and the Democrats desperately tried to **impeach President Trump** and when that failed, all they are trying to do now is block all he tries to accomplish.

Charles, I voted NO on impeachment and if you were in my shoes, you would have voted the same way. That NO vote carries a steep political price.

???

Nancy Pelosi and her Democrats are determined to defeat me. They have turned their hatred for President Trump into a fundraising bonanza. Nancy Pelosi's Democratic Congressional Campaign Committee could spend millions to turn our 14th District seat blue.

Please write your personal check for \$750 or \$1,000 and let's fight off the Democrat's liberal lying attacks with our conservative truth.

With Election Day, just around the corner, our grassroots campaign will need lit drops in Mentor, yard signs in Painesville, bumper stickers in Ashtabula, targeted letters in Hiram, self-mailers in Cuyahoga Falls, radio spots in Orwell, newspaper ads in Twinsburg and TV commercials in Jefferson, Stow, Geneva and across our 14th District.

We can't take anything for granted.
We must run our best campaign.

Our goal is to raise \$15,000 by March 31st. That's the end-date of our first quarter fundraising. We'll post a campaign disclosure report with the Federal Election Commission for all to see. Let's show them how strong we are!

With President Trump leading our ticket, Republicans can "Take Back the House," and for the sake of the country, we must do it.

The way to do it is to move heaven and earth to run a great reelection campaign.

With you involved, I know we will.

Nearly three-quarters of a million people live in the 14th District which includes all of Ashtabula, Lake and Geauga Counties plus eastern Cuyahoga, northern Trumbull and northern Portage Counties. It's a vast and diverse district with big cities, small towns, great farms, college campuses, senior centers, veteran's halls and gun clubs. **We've got it all!**

Here's one thing I want every voter to know about me:

I don't spend all the money that's allotted for our congressional offices. I save up the extra and return it to the U.S. Treasury for debt relief. So far, I've sent back \$800,000.

While the House Democrats are ranting, obstructing and delaying, I'm going to keep working with President Trump to "Keep America Great."

Your generous support before March 31st will give me that opportunity.

Join our team with your special contribution of \$750 or \$1,000 so that when the Pelosi Democrats hit us hard...we've got the firepower to counteract them with our conservative truth.

No stone unturned. That's our campaign motto. It'll take our best campaign to win reelection and our best campaign includes you, Charles.

Respectfully yours,

Dave Joyce
Ohio Conservative

P.S. I'll sure be grateful when your help arrives at our Painesville campaign headquarters!
