**FOR IMMEDIATE RELEASE-** Lake County. Mentor resident Adam Dudziak, formally announced his candidacy as the Democratic Candidate for Lake County Commissioner.

Adam Dudziak is proudly seeking election to fight for accountability to promote the interests of the people of Lake County. "In the last few years we have seen an absolute lack of accountability by our local elected public officials. These officials have promised jobs, promised development of the east end of the county, promised lower taxes, promised lower costs for our senior citizens, they promised to protect our county and they have not delivered on any of these promises. Instead the Commissioners Offices are under investigation by the FBI for an alleged hacking of the election network. Instead the Commissioners are dealing in political cronyism and nepotism by ignoring actions that "violate the Ohio Revised Code". Instead the Commissioners are wasting public tax dollars by approving unearned 50% raises in the Auditor's office and hiring high level lobbyists like Brian Durdle for \$110,000, to do work that the Commissioners were elected to do".

Dudziak, 41, graduated from parochial elementary school and high school and he is one of seven children of a religious household. He has a Masters degree in Education from John Carroll University and a degree in Educational Administration from Cleveland State University. He has dedicated the last 16 years of his life working in public education; 11 of those years as an administrator in the Mentor School District. "The success of our community is dependent upon the provision of high achieving public schools and we are lucky to have many in Lake County. I will also fight for exceptional job opportunities in the County to attract our exceptional young minds back home to Lake County".

Adam pledges as the Commissioner he will fight for what is best for our families and taxpayers. Adam will work closely with the Sheriff, the Courts, and the prosecutors to fight to take criminals off of our streets to keep our communities safe. And Adam will work tirelessly with the Board of Elections to ensure free and fair elections. Adam will fight against the rip off of taxpayer dollars and he is dedicated to promote the needs of our citizens and avoid waste and politically motivated hirings.

Adam was raised in a military family. His father and grandfather were Marines and fought in the Vietnam and Korean Wars. Adam believes in and will protect the 2nd amendment and provide law enforcement with the resources they need to keep Lake County safe.

Adam and his wife, Valerie, currently reside in Mentor with their two children (Tommy and Anna) and their Beagle pup, Jessie.
