Re: Your Submission to the Ohio Organized Crime Investigations Commission

Ms. Daniels:

On April 23, 2020, the Ohio Organized Crime Investigations Commission received your complaint.

In August, 2020, your submission was presented to the Ohio Organized Crime Investigations Commission for their review.

Please be advised that you will not be informed if a task force was formed as a result of your submission. Ohio Revised Code Section 177.02(F) prohibits the release of any information concerning the existence or non-existence of a task force until an indictment is returned or a criminal action or proceeding is initiated in a court of competent jurisdiction. Additionally, in accordance with law, if an indictment is not returned or a criminal action or proceeding is not initiated, no information concerning the existence or non-existence of a task force may be released.

Very Truly Yours,

Rocky W. Nelson  
Executive Director  
Ohio Organized Crime Investigations Commission
