Good Afternoon –

OCJS is administering the American Rescue Plan Act funding on behalf of the Department of Public Safety. To streamline the process OCJS has started an application for your agency at www.ocjsgrants.com. Once you log into the grants system you can search for the application under the My Application Tab at the top. You will click on the grant number beginning with 2022-AR.

Your agency is able to apply for up to **\$250,000** to help reduce the backlog of cases your agency faces. For more guidance on the application process please see the attached document.

Please complete the application by close of business Friday April 1, 2022.

If you have any questions please do not hesitate to reach out to OCJS.

Thanks and have a good evening,
Melissa
