

TRANSGENDER SECRETS IN K-12

**THEY'RE ALREADY
DOING IT IN ALL
50 STATES**

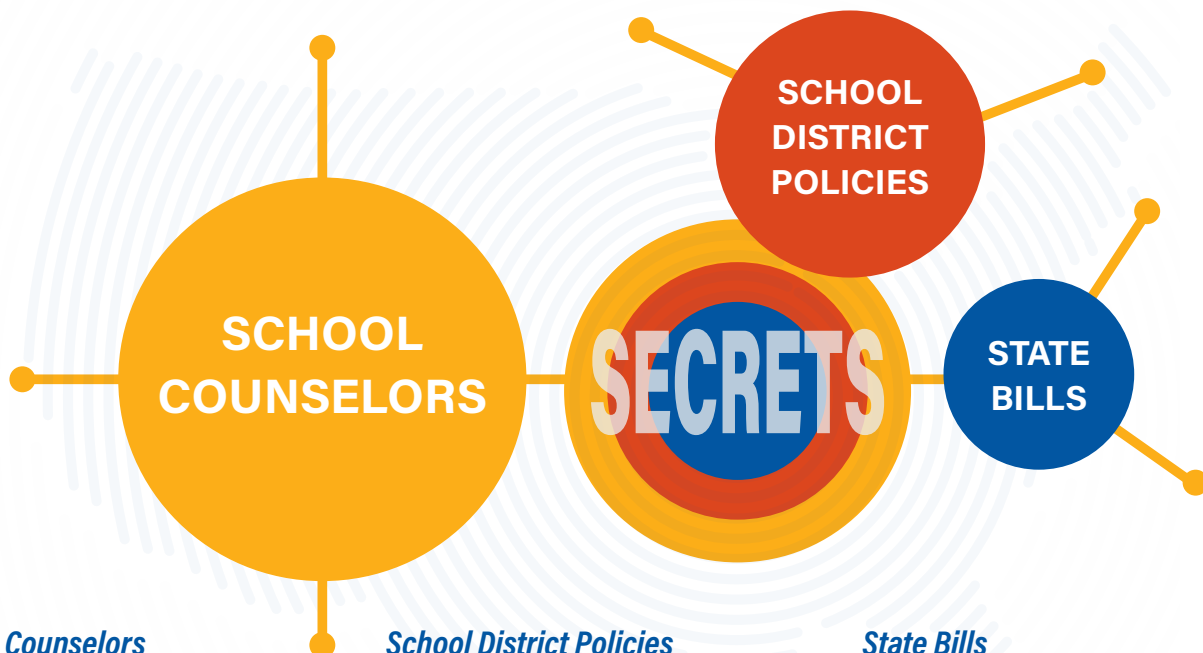

Who Is ASCA?

American School Counselor Association provides training and mission objectives to K-12 School Counselors. They are present in all 50 states.

What Are Transgender Secrets?

Transgender secrets at schools include, but is not limited to, changes in pronouns, names, and clothing, as well as destructive practices such as breast binding, penis tucking, and the use of irreversible and harmful puberty blockers or cross-sex hormones.

HOW TRANSGENDER SECRETS ARE KEPT FROM PARENTS

School Counselors

School counselors are trained to withhold Transgender secrets from parents. This practice aligns with [ASCA's official position statements](#).

School District Policies

Thousands of school districts across the country have [specific policies](#) allowing school counselors to keep Transgender secrets from parents.

State Bills

Some states have passed [bills](#) to allow school counselors to keep Transgender secrets from parents.

*Even in the absence of state bills or school district policies, school counselors **ARE STILLABLE** to keep Transgender secrets from parents.*

“Learn the rules so you know how to break them.”

- Caroline Stone, Head of Ethics Committee
American School Counselor Association (ASCA)

NOT ALL THREE HAVE TO BE PRESENT

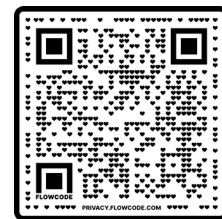

- School counselors **DO NOT** need permission from school district policies or state bills to actively keep Transgender secrets from parents.
- School district policies or state bills only make it harder (not impossible) for parents to levy legal consequences against school counselors.
- In school districts where a situation involving a child transitioning and keeping it a secret from parents has not yet occurred, school counselors are prepared to do so immediately when such a situation arises.
- “Mental health” is the Trojan horse school counselors will use to implement more radical policies to separate children from their parents.
- ASCA training school counselors to work around [state laws](#).

**IF YOU DO NOT STAND UP
FOR YOUR CHILDREN TODAY**

THEY WILL LIVE ON THEIR KNEES TOMORROW
